### **FROM THE PASTOR'S DESK**

Out of 2007 and into 2008! What a year! Oh what disasters! But thank God we are alive. Let us give God the honour and praise due to Him.

As we enter the New Year, let us approach it with a spirit of power, love and a sound mind. Let us focus on rebuilding the spiritual walls which Satan has broken down. In order to be successful, we must first accept that:

- 1) we have moved away from God's commandments
- 2) we must confess our sins/failures and repent
- 3) we must ask God to forgive us

Having done this, we will now start to rebuild. We will look to the Word of God. We will study the Word daily. The Word contains the will of God for our lives. The Word is God himself. The Word is powerful. Jesus used it to defeat the enemy in the wilderness. When the Word is in our heart, we will love, think, speak, forgive and show compassion like Jesus. The word contains God's promises to us. It also gives us His instructions.

In the New Year, let us endeavor to be connected to Christ. Being connected to Christ will ensure that we live a fulfilled and purposeful life. We will also be successful in rebuilding the spiritual walls of our society.
